A few safety tips for the holidays...

- If you are going away, neighbours can collect your mail and make your place look occupied, feed pets. Let at least 2 neighbours know that you will be away.
- Police are always interested in suspicious activity. Don't hesitate to call Police to report something out of the ordinary and, if you see a crime being committed, call 111.
- Fire Safety – Don't drink and fry, order takeaways, or use the microwave. Keep matches & lighters out of reach. Smoke alarms save lives. Fire is fast – get out – stay out.
- During an earthquake – if inside, Drop, Cover and Hold. If outside, move away from buildings, trees, streetlights and power lines, then Drop, Cover and Hold.

Sumita and I and our Neighbourhood Support Board members would like to wish everyone a safe and happy Christmas and a wonderful New Year. Thank you for helping to make your homes, streets, neighbourhoods and communities safer and more caring places in which to live. Our office will close on Friday 23 December and reopen on Monday 9 January 2017.
